Pat Dorsey will be demonstrating how to tie some of his favorite flies at our September meeting. This is a “must see”!

Well..it’s finally starting to cool down a little. It should be a good time to do some fishing! If you don’t have any plans for the weekend of September 18th and 19th the club will have a trip to Antero Reservoir. Check out the trips section for more details.

Just a reminder...we’ll be glad to get the word out to all of our club members if you would like to organize a trip of any kind. Please give Larry Lester a call at 303-797-0056.

Congratulations to Bill Cronin! Out of the 16 participants in the recent FFF Certified Casting Instructor exam he was one of the 3 that passed. Be sure and give Bill a pat on the back if you see him!

Marshall Estes is working with Kirks Fly Shop in Estes Park for a group seminar on the Big Thompson River in late October or early November. The cost will be \$99 per person. If you are interested please give Marshall a call at 303-680-9745.

The club has recently acquired a lot of fly tying materials, books and old magazines. We are planning on selling the items to club members at our meeting in October. There should be some pretty good deals to be had! Be sure and check it out!

We are trying to give some of the guys that have been on the Board of Directors for quite some a break. If you can help out the time commitment is minimal. Please give Michael Lenzini a call at 303-933-7111 if you are interested.

Clinics and Classes Overview

CASTING CLASS:

Jon Nash and Don Gibbs are always willing to help club members get their Certified Casting Instructor (CCI) certificate. If you would like to help them organize a class please give Jon a call at (303) 450-0225) or Don at (303) 526-9256. (From the HPD Mentor: Jon and Don should be doing a class this next summer. I totally recommend their class to improve your casting skills. Both for distance, accuracy and teaching skills.)

FLY TYING CLASSES:

The new HPD Basic Fly Tying Course is available for download in PDF format. <http://www.hpd-fff.org/Documents/hpd-basic-fly-tying-course.pdf>

Right Click and Save Target As. This was a combined effort of Don Gibbs and Marshall Estes. If you have never tied a fly this is a good beginning resource to study.

Trips

Antero Reservoir September 16th through the 19th. Bring your RV or tent if you have one and join the fun. Everyone is welcome even if you can only make it for a day or two. Doug Geerdes is cooking for us on Saturday night. Please contact Larry Lester at 303-797-0056 to let us know if you are coming.

There should be some great destinations this fall. If you would like to set up a trip please give Larry a call at 303-797-0056.
